

Exhibitor Information

The 5th international beekeeping fair eurobee will take place from 7 to 9 November 2025 in the eastern section of the Trade Fair Friedrichshafen. With around 7,000 visitors and over 150 exhibitors in 2024, the trade fair eurobee, which is organised annually by the German Professional and Commercial Beekeepers' Association, has now become the leading beekeeping trade fair in Europe.

Venue & Opening Hours

November 7th to 9th, 2025

Trade Fair Friedrichshafen: Hall A7 and Foyer Ost

eastern part of the Trade Fair Friedrichshafen

Neue Messe 1

88046 Friedrichshafen

Information for set-up and dismantling

- **Car parks:** Exhibitor car parks are located next to the exhibition hall (see exhibition map). Sufficient visitor car parking spaces are available free of charge.
- **Additional outdoor space:** Additional outdoor exhibition space is available in the inner courtyard.
- **Lorry access:** The halls can be accessed by truck for set-up and dismantling. Wide corridors with a width of 5 and 6 metres are planned.
- **Legal:** No products may be exhibited, sold or brokered in the name of others. This ensures that the exhibitor is also the seller of the exhibited goods.

Exhibitor Registration

Please let us know your space requirements for the current event year 2025 when you register. All prices net.

Please download the Registration form on our website, fill it in and send it by e-mail to eurobee@berufsimker.de
